Still nothing from the Mainstream Media on the Dixon, Illinois school shooting.

Where is the expose on HERO Police Officer Mark Dallas who saved countless lives with his heroism.

I'll tell you where it's at, it isn't a tragedy, so they don't care about it!

They even sent Media Matters after him to try to get him fired, but fans and conservatives rallied around Hannity in Late May of 2017 to keep his job.

I think there is going to be a point where Sean will not be silenced whatsoever always thought he may have had something up his sleeve when he stopped talking about Seth Rich. His audience and support are MASSIVE. Not sure if the Murdoch's are aware of how massive

Who's going to give back the young and beautiful lives (and others, that have been devastated and destroyed by the phony Russia Collusion Witch Hunt? They journeyed down to Washington, D.C. with stars in their eyes and wanting to help our nation. They went back home in tatters!

That's a Great Question Mr. President.

General Flynn has lost his house, is worried about his family, and is a true Patriot.

Amazing how Hillary Clinton lied countless times under Oath and she's still roaming around holding fund raisers for the crooked Clinton Foundation.

Those of you in the Fake News media need to stop spreading BS.

Sarah Sanders just came out and stated her leaving the White House wasn't true.

How many times are you going to LIE to the American People?

Yet you don't have the balls to Investigate the murder of #SethRich

They haven't retracted the story either @CBSNews is the definition of #FakeNews

Sarah Sanders @PressSec
Does @CBSNews know something I don't about my plans and my future? I was at my daughter's year-end Kindergarten event and they ran a story about my "plans to leave the WH" without even talking to me. I love my job and am honored to work for @POTUS

Aaron, not Seth, is the IT guy. Aaron got Seth into those files or he decrypted them. He has a role in what Seth did or Aaron did it himself

Can't remember what I read of his alleged quotes, but it sounded extremely shady. Along the lines of stop looking into it. Very strange.

Aaron, not Seth, is the IT guy. Aaron got Seth into those files or he decrypted them. He has a role in what Seth did or Aaron did it himself

Aaron, not Seth, is the IT guy. Aaron got Seth into those files or he decrypted them. He has a role in what Seth did or Aaron did it himself

Can t remember what I read of his alleged quotes, but it sounded extremely shady. Along the lines of stop looking into it. Very strange.

FOX's Curious George lookalike, AKA @BretBaier made a jerk out of himself Friday with Jim Jordan. Book not selling so well, Brett? Who is the Man in the Yellow Hat, Shep Smith?

I don't like him either

Well I give him the benefit of the doubt because he does the "fair and balanced" news. Hannity says that his is an opinion show whereas Brett has to tow the line best he can. I don't watch often, but I do give him a break sometimes.

The Man is the Yellow Hat was always keeping Curious George out of hijinx. Is that Shep's role with Bret Baier?

So annoying when "Republicans" help Democrats take down other Republicans. Shame!

He's our witness, not Burkman's. He came forward to our team over 6 months ago. You know nothing about him, his name isn't Luke. We have turned over information, he hasn't met with House Intelligence. He worded that wrong. He's 100% legit and our LEO's and PI's have vetted.

> Majority of "press" & ???s were from citizen journalists. the "liberal" press wasnt there but Wapost & Yahoo. if they count The problem was Luke. his story is fishy He s not a witness, he didnt appear before House Intel Your backing of him is disappointing

Replying to @RealMattCouch
That s a problem then, because that part of his story made all of the story unbelievable Why would he say it if it wasn't true?

He meant that his information was given to the House Intelligence Committee, not that hard to understand. He worded it wrong He hasn t met with them, but his information has gone to them

❗ Newsflash

If Conservatives get motivated and get off our backsides in November we can start to turn this tide.

We finally have a President who cares about America again.

Will you sit by and let Liberals continue their assault based on feelings?

Or will you Stand & Fight!

Wow, it's sad that the UAE is more terror aware than most countries in the west

This guy articulated what I been thinking all along

Terror isn't just the final product, it's the ideology animating it, the sane & prudent thing to do, is outlaw it at the earliest possible stages
